

Grape Country **NEW**

Also, new this year, is our Grape Country Family Park! Located in front of Naples Central School close to the food court, this park-like setting provides families and friends a quieter place to gather and relax. Grab something to eat, find a table, and enjoy music performed by local artists....all free of charge!

Best of all it is right next door to the Kid's Zone run by the Naples Interact Club. The Kid's Zone is a wonderful place designed for young kids (ages 5 - 12) to learn and have fun! Watch your children create **grape and fall themed crafts** that they can take home and be proud of.

The Grape Country Family Park is sponsored by the Naples Grape Festival and Naples Central School.

Please note no alcoholic beverages are allowed on school property.
